Thursday 2:10 – 5:00 pm in HMNS

In Critical Theory 272-01 we'll examine three books and associated essays that have taken critical theory in different areas over the last decade, by broadening its concerns to include international feminist discourse ethics, citizenship, and consumption.

Consultation time will be 5-7 Thursdays in my office, which is INTS 3136.

We'll need to create some make-up classes, because I'm out of town April 17, May 1, and May 22. Please bring your diaries to our first meeting so we can plot how to do this.

The essay is due on June 5, 2008. Please deliver it to the class meeting and also send it to me in electronic form. It will be 5000 words, and be a contrast of the views of culture forwarded in the three books. You must also draw on the secondary literature I have listed to, in addition to any other sources you uncover. Use either MLA, Chicago, or APA reference styles.

The books we'll analyze are:
